Technology Policy & International Affairs

Introduction

- The database is located in the Central Desktop Workspace “802 Liaison Listing” (Can be found under IEEE-SA)
- The database is publically viewed at the following URL:
<http://iee-sa.centraldesktop.com/802liaisondb/FrontPage>
- The database contains 5 fields:
 - IEEE 802 Working Group
 - Liaison Organization
 - Liaison Organization Website
 - IEEE 802 Liaison Representative
 - Type of Liaison
 - Relationship - A cooperation facilitating a close working relationship between organizations typically via Liaison Statements, Liaison Officials or Liaison Facilitators.
 - Statement - A communication intended to advance cooperation among organizations.
 - Official - A person designated to advance communications among organizations.
 - Facilitator – A person, without any official designation, who participates in another organization as well as IEEE 802 to advance cooperation among the organizations.

Accessing the Database

- To access the database, you must login with your Central Desktop login information at the following URL:
 - <https://iee-sa.centraldesktop.com/login>

The screenshot shows the IEEE Standards Association Central Desktop homepage. The interface includes a top navigation bar with 'Workspaces', 'My Dashboard', and 'Favorites'. Below this is a 'New Workspace' button and 'Company Shortcuts' for 'Central Desktop Help'. A 'Last Viewed' section is redacted. The 'Workspaces' section contains three items: 'IEEE-SA', 'International Strategy & Planning', and '802 Liaison List'. Red arrows and circles highlight the following steps:

- Step #1:** Clicking the 'Workspaces' drop-down menu.
- Step #2:** Clicking the 'IEEE-SA' workspace.
- Step #3:** Clicking the 'International Strategy & Planning' workspace.
- Step #4:** Clicking the '802 Liaison List' workspace.

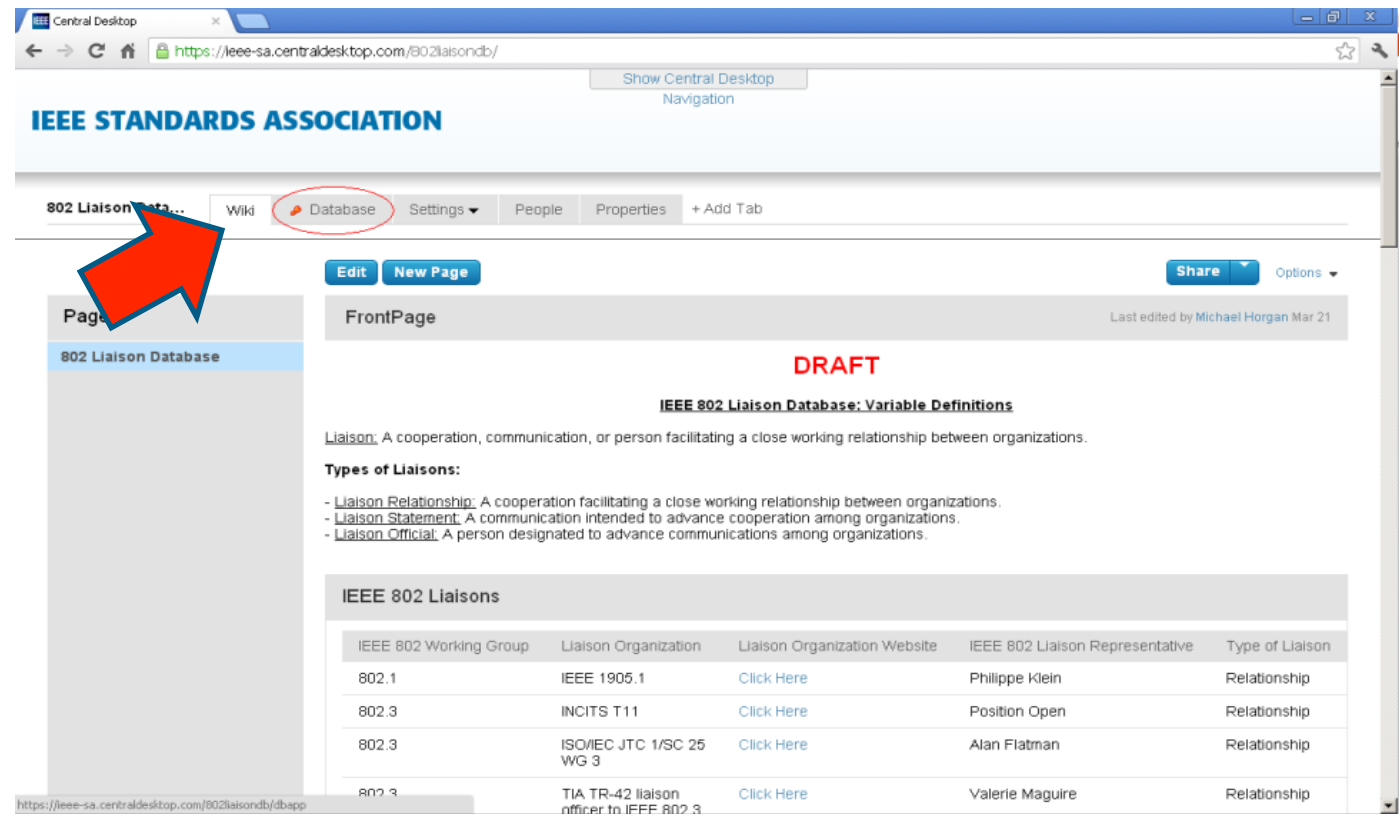

At the Central Desktop Homepage (after login), click the "Workspaces" drop-down menu. Using the Menu, locate the "802 Liaison List" Workspace by going to IEEE-SA → International Strategy & Planning → 802 Liaison List.

Accessing The Database for Edits - Step #1

Once you have logged into Central Desktop, you can access and edit the 802 Liaison List directly from

<http://ieee-sa.centraldesktop.com/802liaisondb/FrontPage>

To access the Database view, click on "Database" at the top of the page.

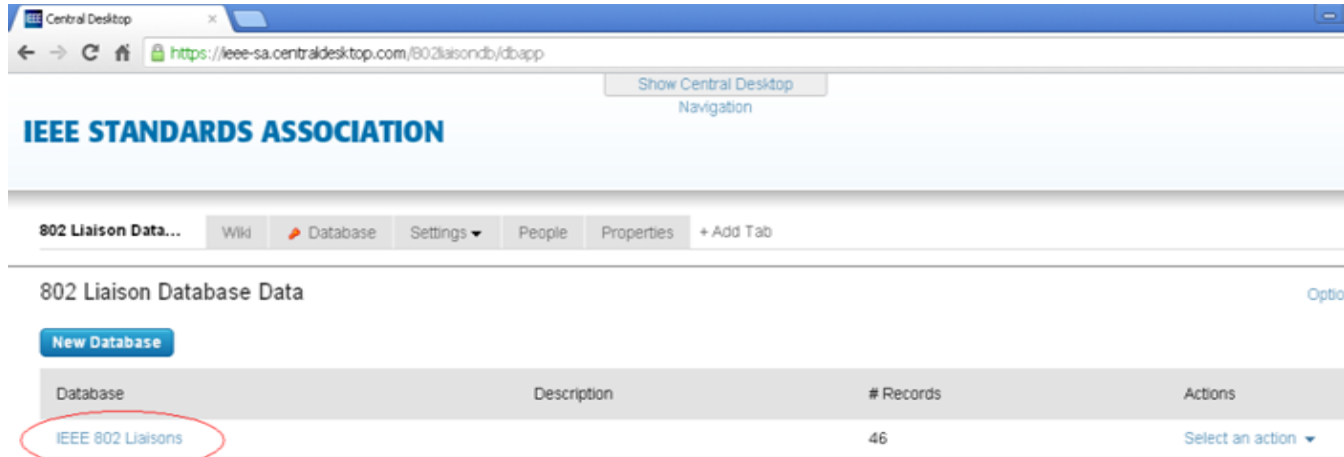

The screenshot shows the IEEE Standards Association Central Desktop interface. The browser address bar displays <https://ieee-sa.centraldesktop.com/802liaisondb/>. The page title is "IEEE STANDARDS ASSOCIATION". The navigation bar includes "802 Liaison Database", "Wiki", "Database" (highlighted with a red circle and a red arrow), "Settings", "People", "Properties", and "+ Add Tab". The main content area shows the "FrontPage" for the "802 Liaison Database", which is in "DRAFT" status. The page content includes a definition of "Liaison" and "Types of Liaisons":

- Liaison Relationship: A cooperation facilitating a close working relationship between organizations.
- Liaison Statement: A communication intended to advance cooperation among organizations.
- Liaison Official: A person designated to advance communications among organizations.

Below this is a table titled "IEEE 802 Liaisons":

IEEE 802 Working Group	Liaison Organization	Liaison Organization Website	IEEE 802 Liaison Representative	Type of Liaison
802.1	IEEE 1905.1	Click Here	Philippe Klein	Relationship
802.3	INCITS T11	Click Here	Position Open	Relationship
802.3	ISO/IEC JTC 1/SC 25 WG 3	Click Here	Alan Flatman	Relationship
802.3	TIA TR-42 Liaison officer to IEEE 802.3	Click Here	Valerie Maguire	Relationship

Accessing the Database for Edits - Step #2

The screenshot shows a web browser window with the URL <https://ieee-sa.centraldesktop.com/802liaisondb/dbapp>. The page header includes the IEEE Standards Association logo and a navigation menu with options like '802 Liaison Data...', 'Wiki', 'Database', 'Settings', 'People', and 'Properties'. Below the navigation, there is a section titled '802 Liaison Database Data' with a 'New Database' button. A table with the following structure is displayed:

Database	Description	# Records	Actions
IEEE 802 Liaisons		46	Select an action

The 'IEEE 802 Liaisons' entry in the table is circled in red, and a red arrow points to it from the text below.

Click "IEEE 802 Liaisons" to select the database you are editing. (It is the only one listed).

Adding a New Record

To add a new record, click the blue button in the top left corner of the page:

On the “Add Record” page, select and enter all applicable information in the five fields shown below (see next slide for more details). When finished, make sure to save your entry by clicking on either the “Save and Add Another” or “Save & Done” button.

A screenshot of the 'IEEE 802 Liaisons - Add Record' form. The form has a 'Save' button and a 'Cancel' button. A note states 'Fields Marked with a * are required'. There are five required fields: '* IEEE 802 Working Group' (a dropdown menu), 'Liaison Organization Website' (a text input field), 'Type of Liaison' (a dropdown menu), 'Liaison Organization' (a text input field), and 'IEEE 802 Liaison Representative' (a text input field). At the bottom right, there are three buttons: 'Save and Add Another', 'Save & Done', and 'Cancel'.

Adding a New Record (Con't)

Individual Field Information:

- IEEE Working Group: Select the WG from the drop-down menu, or select "Add New Choice...". If "Add New Choice" is selected, you will be prompted to enter the new WG number.
- Liaison Organization: Enter the Organization in the text box.
- Liaison Organization Website: Enter the full URL in the text box.
- IEEE 802 Liaison Representative: Enter the name of the Rep. in the text box. If there is no actual person, enter "N/A".
- Type of Liaison: Select the liaison type from the drop-down menu.

Editing a Record

To edit a piece of data already in the database, locate the entry in the database view (shown below). After locating the data point, click on the corresponding pencil icon located to the left of the entry.

The screenshot shows the IEEE 802 Liaisons database interface. The page title is "IEEE 802 Liaisons in Standard View". There is a "New Record" button and a "Showing 1-46 of 46" indicator. The "Filter This View by:" section includes a dropdown for "IEEE 802 Working Group" set to "- None -" and an "Apply" button. Below this is a "Show" dropdown menu with "All" selected, and a row of letters A through Z. The main table has columns: IEEE 802 Working Group, Liaison Organization, Liaison Organization Website, IEEE 802 Liaison Representative, Type of Liaison, and a checkbox. A red arrow points to the "All" link in the "Show" dropdown. A red oval highlights the pencil icons in the first column of the table. On the right side, there are two panels: "Latest viewed records" and "Recently Created".

IEEE 802 Working Group	Liaison Organization	Liaison Organization Website	IEEE 802 Liaison Representative	Type of Liaison	
802.1	IEEE 1905.1	Click Here	Philippe Klein	Relationship	<input type="checkbox"/>
802.3	INCITS T11	Click Here	Position Open	Relationship	<input type="checkbox"/>
802.3	ISO/IEC JTC 1/SC 25 WG 3	Click Here	Alan Flatman	Relationship	<input type="checkbox"/>
802.3	TIA TR-42 liaison officer to IEEE 802.3	Click Here	Valerie Maguire	Relationship	<input type="checkbox"/>
802.3	IEEE 802.3 liaison officer to TIA TR-42	Click Here	Chirs DiMinico	Relationship	<input type="checkbox"/>
802.3	Broadband Forum	Click Here	N/A	Statement	<input type="checkbox"/>
802.3	CCSA (China Communications Standards Association)	Click Here	N/A	Statement	<input type="checkbox"/>
802.3	Cable Television Laboratories (CableLabs)	Click Here	N/A	Statement	<input type="checkbox"/>
802.3	DKE (Deutsche Kommission Elektrotechnik Elektronik Informationstechnik)	Click Here	N/A	Statement	<input type="checkbox"/>

Editing a Record (Con't)

- After clicking on the pencil icon, you will be brought to a view that is very similar to the “adding a new record” view.
- You may now edit any of the five fields. After editing, make sure you save the edits by clicking “Save.”

Deleting a Record

- To delete a record (or multiple records) from the database, locate the record you wish to delete. Then, click on the box located to the right of the record (after the check box is selected, the record will be highlighted in blue).
- After selecting all of the records you wish to delete, click the “Delete all Checked” button shown above the entries.

The screenshot shows a web browser window displaying the IEEE 802 Liaison List. The interface includes a navigation bar with tabs for Wiki, Database, Settings, People, and Properties. Below the navigation bar, there are filters for 'IEEE 802 Working Group' and 'Filter This View by'. A table of records is displayed with columns for IEEE 802 Working Group, Liaison Organization, Liaison Organization Website, IEEE 802 Liaison Representative, and Type of Liaison. A red arrow labeled 'Step #1' points to the checkbox in the first row, which is checked. Another red arrow labeled 'Step #2' points to the 'Delete all checked' button, which is circled in red. The table data is as follows:

IEEE 802 Working Group	Liaison Organization	Liaison Organization Website	IEEE 802 Liaison Representative	Type of Liaison	Checkbox
802.1	IEEE 1905.1	Click Here	Philippe Klein	Relationship	<input checked="" type="checkbox"/>
