Traveling To/From Canada Information

Please take the steps to determine if you require travel documentation to attend a particular IEEE 802 Session. The **requirements change from time to time**. Because of this, we strongly urge all attendees to review the entry requirements for traveling to each IEEE 802 session location and determine for themselves, or in collaboration with their employer, what if any travel documentation is required.

Local rules, restrictions and guidelines are expected to change rapidly as the COVID-19 situation evolves. IEEE's recommendation with respect to travel is to refer to your country's consulate or state department for the most up to date information related to travel.

Canada Citizenship and Immigration provides introductory information about entry requirements on the following pages:

- [Find out if you need a visa to travel to Canada](#)
- [Electronic Travel Authorization \(eTA\) - Canada.ca](#)

COVID-19 Testing Arrival In Canada Information

According to the Canada Border Services Agency Travelers entering Canada by land, air or water, regardless of citizenship, must follow requirements to keep everyone safe. **Starting April 1, 2022, pre-entry tests** are no longer required for fully vaccinated travelers entering Canada by land, air or water.

COVID-19 Testing Departure from Canada Information

Detailed information about COVID-19 Testing for Departure will be provided on the event Health and Safety page starting **Jun 1, 2022**. Access via link:
