Network History Museum?

- An opportunity to utilize the InfoAge A Science-History Center and Museum at 2201 Marconi Road, Wall, NJ as a Museum for network equipment (http://www.infoage.org/) has been proposed
- Are their any 802 members interested in investigating this further?

Museum

- Preserving the heritage of the site including the historic Marconi station and major WWII radar laboratory buildings.

- Developing an 'Information Age Learning Center' in the historic buildings to preserve that heritage.
