Subject: Endorsement letter for Benjamin A. Rolfe

Dear Recording Secretary

As Executive Director of Blind Creek Associates with responsibility for Benjamin A Rolfe's assignment and budget for standards activity, I wish to endorse him for the position of TAG 802.24 Vice Chair. Mr. Rolfe has been an active member 802 for many years, made significant contributions to multiple standards, contributed to working group and task group leadership in 802.15, and participated in 802.24 from the inception of the TAG.

Blind Creek Associates will be the supporting entity and is committed to providing the necessary resources to support him as 802.24 Vice Chair, including time and travel expenses for meetings, while he is employed with the company. We recognize that Benjamin A. Rolfe is expected to act in accordance with the conditions stated in the Voting Guidance subclause of the IEEE 802 LAN/MAN Standards Committee Operations Manual dealing with voting "as both a professional and as an individual expert."

Sincerely

Benjamin A. Rolfe
Managing Director, Blind Creek Associates
